

CV FOR DR. CLARIS SHOKO

Permanent Address : 20973, KMP 1, Runyararo South West,
Masvingo, Zimbabwe

Email : cshoko@gzu.ac.zw, or
claris.shoko@gmail.com

Website : <http://clarisshoko-77.owlstown.net/>

ORCID : <http://orcid.org/0000-0002-0896-4387>

Cell Numbers : +263 772587610, or
+263 715181579

Date of Birth : 20 July 1977

Sex : Female

Marital Status : Married

Citizenship : Zimbabwean

Languages : English, Shona, Venda and Ndebele.

Computer Proficiency : Latex, Beamer, Word, PowerPoint, Excel.

Data Analyses Proficiency : R, SPSS, SAS, Excel, Amos Graphics.

ACADEMIC QUALIFICATIONS:

- a) **2019: Ph.D. (Statistics)**. University of the Free State, South Africa
- b) **2015: MSc. (Statistics)**. University of Venda, South Africa
- c) **2012: BSc. (Statistics) (Hons)**. University of Venda, South Africa
- d) **2005: BSc Education [Mathematics] (Hons), First Class**. Bindura University of Science Education, Zimbabwe
- e) **2000: Diploma in Education [Mathematics]**, University of Zimbabwe (Mutare Teachers' College)

RELEVANT EXPERIENCE:

- **7 February 2022 to 19 February 2022**: Statistical data analysis using R programming language: RUFORUM Capacity building training. Facilitated by Makerere University, Uganda.

- **October 2020 to August 2021:** Researcher [National AIDS Council of Zimbabwe in collaboration with the Medical Research Council of Zimbabwe]. Duties: Designing of Questionnaires; Sampling plan, Data Collection, Entry, Coding and Analysis, Report writing.

February 2016 to Date: Lecturer [Great Zimbabwe University]: Department of Mathematics and Computer Science, and Department of Soil and Plant Sciences. Duties: Teaching-Biostatistics, Epidemiology, Design and Analysis of Experiments, Time Series Analysis, Survey Techniques; Recruiting Postgraduate students; Supervising research; Participating in the Minimum Board of Knowledge hosted by Zimbabwe Council of Higher Education. **Teaching and Learning Centre.** Duties: Google classroom training for GZU staff and students, Induction workshops for new staff members, Organising staff development workshops.

- **Jan 2012 to December 2014:** Teaching Assistant, University of Venda. Duties: Data capturing and analysis for postgraduate students, assisting undergraduate statistics students with tutorials.
- **Jan 2014 to 2015:** Mathematics Educator, Limpopo Department of Education, Azwifarwi Secondary School, Thohoyandou, South Africa
- **2004 to 2011: Senior Teacher:** Department of Mathematics, Gokomere High School, Zimbabwe.
- **2000 to 2003: Teacher:** Department of Mathematics, Chegato High School, Zimbabwe.

MEMBERSHIP TO ASSOCIATIONS:

From 2017 to date: South African Statistics Association.

COLLABORATION:

1. University of Venda, Department of Statistics: Doctor C. Sigauke
2. University of South Africa, Department of Statistics: Professor P. Njuho
3. University of the Free State, Department of Mathematical Statistics and Actuarial Sciences: Doctor D. Chikobvu
4. College of Agriculture, J.N.K.V.V., Powarkheda, MP, India. Professor P. Mishra

RESEARCH PLATFORMS:

From 2016 to Date: Research Gate

From 2018 to Date: Google Scholar

COMMUNITY ENGAGEMENT:

Statistician for a project on "The Implications of the Dualisation of the Harare-Beightbridge-Chirundu Road on the HIV Epidemic."

EDITORIAL BOARD MEMBER:

Technical Person, Journal of New Versions in Educational Research. Great Zimbabwe University. Duties: Link person between authors and Reviewers/Language Editors.

REVIEWER OF JOURNALS:

1. The Tohoku Journal of Experimental Medicine.
2. The BMC Infectious Diseases Journal.
3. Journal of Epidemiology and Infection.
4. Theoretical Biology and Medical Modelling

AWARDS:

- **2014:** NRF Scarce Skills Scholarship for MSc. research: University of Venda,
- **2004:** Best Student in Mathematics, Bindura University of Science Education,
- **2004:** Bindura University of Science Education: University Prize for First Class,
- **2000:** Position one in teaching Mathematics at "O" Level in Midlands Province.

MANUSCRIPTS UNDER REVIEW: REFERRED JOURNALS

1. **Shoko Claris** and Sigauke Caston. Quantile regression averaging approach to predict the spread of COVID-19 in South Africa: The spread of COVID-19 in South Africa." South African Journal of Science. Ref Number: 13029. **(Under Review)**
2. **Shoko Claris**, Chikobvu Delson, and Bessong Pascal O. Cox's hazard regression model and Aalen's hazard additive regression model are used to study HIV/AIDS progression under drug therapy: Case study from South Africa. Central African Journal of Medicine. **(Under review)**
3. **Claris Shoko**. A Proposed viral load definition for the AIDS state for HIV/AIDS patients. Central African Journal of Medicine **(under review)**
4. **Shoko Claris**. Predicting South Africa's daily COVID-19 cases using ARIMA forecasting model: 6 March to 6 July 2020. Journal of Medical Sciences **(Under review)**

5. Pradeep Mishra; Khder Mohammed Alakkari; Achal Lama; Soumik Ray; Monika Singh; **Claris Shoko**; Mostafa Abotaleb; Kadir Karakaya. An Econometric modeling using ARIMA- Holt's Linear of Sugarcane production in South Asia countries. (Journal of Sugar Technology. **Under Review**)

PUBLICATIONS: REFERRED JOURNALS

1. **Claris Shoko**, Caston Sigauke, and Peter Njuho. Short-term forecasting of confirmed daily COVID-19 cases in the SADC region. African Health Sciences Journal. **ID: WKRO-2021-09-1566. Accepted: 16 January 2022.**
2. **Shoko C.** & Njuho P. ARIMA Model in Predicting of COVID-19 Epidemic for the Southern Africa Region. African Journal of Infectious Diseases, 2021. **Accepted: 3 November 2021**

11. **Shoko C.**, Chikobvu D. and Bessong P.O. A Markov Model to estimate Mortality due to HIV/AIDS using viral load levels based states and CD4 cell counts: A Principal Component Analysis approach. *Infectious Disease and Therapy*. (2018), 2 November 2018. Doi: 10.1007/s40121-018-0217-y. **10 Citations**
12. M. Shoko, S. Mkwamba, D. Tsingo and **C. Shoko** (2009). Production methods and farming systems of sugarcane under the fast track land reform programme in a semi-arid region in Zimbabwe. *Sugar Cane Int.* 27(1): 7-11.

H-INDEX

1. Google Scholar: 5
2. RESEARCHGATE: 5

STANDING IN THE DISCIPLINE

1. External Examiner: Dissertation marking, Faculty of Health Sciences, University of Cape Town.
2. Facilitating induction workshops to new academic staff members at Great Zimbabwe University
3. Training academic staff members on the use of Google Classroom during the lockdown period.

POSTGRADUATE SUPERVISION

1. MPhil. Dissertation supervision. Lime and nitrogen management options. 2018 to 2020 (submitted)
2. Honours Students: Application of Markov Processes, Logistic regression modelling, Time series analysis, Multistate modelling in research.

CONSULTANCY WORK:

Data Analyst, NATIONAL AIDS COUNCIL OF ZIMBABWE. From September 2020 to Date

CONFERENCE PRESENTATIONS:

1. Short-term forecasting of confirmed daily COVID-19 cases in the SADC region. Great Zimbabwe University Research Fair, 4-5 October 2021. Poster presentation.
2. IMPACTS OF THE DUALISATION OF HARARE-BEIT BRIDGE-CHIRUNDU ROAD ON HIV EPIDEMIC INCEPTION AND TRAINING PROGRAMME held on the 8th-10th of December 2020 at Great Zimbabwe Hotel: NATIONAL AIDS COUNCIL OF ZIMBABWE. I presented A paper on the METHODOLOGY – DESIGN AND SAMPLING, ANALYSIS PLAN
3. A Markov Model to estimate Mortality due to HIV/AIDS using CD4 cell counts based states and viral load: A Principal Component Analysis approach. Conference, South African Statistics Association, 26-30 November 2018. University of South Africa. *The paper was published in the Biomedical Research Journal*

RESEARCH INTERESTS

- Epidemiology
- Time Series Analysis (Machine Learning (SVM, GAM, GBM, MCQRNN, LQRA, OPERA), ARIMA, Holt-Winter's, Exponential smoothing, BATS and TBATS models)
- Disease modelling (HIV/AIDS, COVID-19, TB, Cancer, Malaria)
- Stochastic modelling, Deterministic modelling
- Longitudinal Data analysis
- Survey techniques
- Design and Analysis of Experiments

REFEREES

1. Dr. Machingura, Director, Teaching and Learning Centre, Great Zimbabwe University, E-mail: vmachingura@gzu.ac.zw. Cell: +263 777617395.

2. Dr. D. Chikobvu. Senior Lecturer. Department of Mathematical Statistics and Actuarial Sciences, University of the Free State. E-mail: Chikobvu@ufs.ac.za. Cell: +27 721418458
3. Dr. C. Sigauke. Senior Lecturer. The University of Venda. Email: csigauke@gmail.com. Cell: +27671661397
4. Mr M. Munyikwa. Monitoring and Evaluation Officer. National AIDS Council of Zimbabwe. Masvingo Province. Email: mmunyikwa@nac.org. Cell: +263 738091805.
