RESEARCH INTERESTS

Alcohol use and misuse, chronic condition management, behavioral health integration, organizational behavior, policy analysis

EDUCATION

PhD **University of California, Berkeley, School of Public Health**, Health Policy, 2020
Specialty Field: Organizations & Management
Dissertation Title: *The Impact of Retail Availability on Health Behaviors: Policy Applications for the Prevention & Management of Chronic Conditions*
Committee: Hector Rodriguez (chair), Jennifer Ahern, Ann Keller, William Kerr

MPH **Harvard T.H. Chan School of Public Health**, Social & Behavioral Sciences, 2016

BA **Emory University**, History & International Studies, 2012

ACADEMIC APPOINTMENTS

University of Maryland, School of Public Health
Assistant Professor, Department of Health Policy and Management, 2022-

Northwestern University, Feinberg School of Medicine
Postdoctoral Fellow, Department of Preventive Medicine, 2020-2022
Member, Buehler Center for Health Policy and Economics, 2020-2022

University of California, Berkeley, School of Public Health
Research Affiliate, Center for Healthcare Organizational and Innovation Research, 2020-

PRESENTATIONS

Conference podium presentations:

2022: American Public Health Association annual meeting

2021: AcademyHealth annual research meeting

2020: American Society of Health Economists annual conference (*abstract accepted, presentation cancelled due to COVID-19*)

2019: AcademyHealth annual research meeting; Western North American Region of the International Biometric Society meeting; Society for Epidemiologic Research annual meeting

2018: AcademyHealth annual research meeting

Conference poster presentations:

2023: Organization Theory in Health Care annual conference

2022: AcademyHealth annual research meeting

2021: AcademyHealth annual research meeting

2020: AcademyHealth annual research meeting

2019: AcademyHealth annual research meeting; Population Health Science Research Workshop; American Public Health Association annual meeting; Society for Prevention Research annual meeting

Invited talks:

2023: Alcohol Research Group

2022: Tobacco Online Policy Seminar; Cleveland Clinic Center for Value-Based Care Research;

Tulane University School of Public Health and Tropical Medicine, Department of Health Policy and

Management; Colorado School of Public Health, Department of Health Systems, Management and Policy; Temple University College of Public Health, Department of Health Services Administration and Policy; University of Iowa College of Public Health, Department of Health Management and Policy

RESEARCH SUPPORT

Active:

Quality of alcohol-related care received: Missed opportunities, disparities, and impacts of health reform

NIH National Institute on Alcohol Abuse and Alcoholism

P50 Specialized Alcohol Research Center Grant (P50AA005595)

Role: Collaborator; Project lead: N Mulia; Primary investigator: W Kerr
2021-2025

Under review:

Understanding alcohol use and alcohol-related care among older adults with heart failure

NIH National Institute on Alcohol Abuse and Alcoholism

R21 Exploratory/Developmental Research Grant Award

Role: Primary investigator

Completed:

COVID-19 clinical recovery cohort

Northwestern University Clinical and Translational Sciences (NUCATS) Institute

Clinical and Translational Pilot Award

Role: Co-investigator; Primary investigators: R Kalhan, MR Carnethon
2021-2022; \$30,000

Alcohol use disorder treatment and cardiovascular outcomes in a health system

Northwestern University Clinical and Translational Sciences (NUCATS) Institute

Pilot Data Program Award

Role: Primary investigator
2021

Research training in cardiovascular disease epidemiology and prevention at Northwestern

University Feinberg School of Medicine

NIH National Heart, Lung, and Blood Institute

T32 Ruth L. Kirschstein Institutional National Research Service Award (5T32HL069771)

Role: Trainee; Primary investigators: MR Carnethon, P Greenland
2020-2022

State Innovation Model Initiative impacts on diabetes prevention and management

U.S. Centers for Disease Control and Prevention/NIH National Institute of Diabetes and Digestive
Kidney Diseases

Cooperative agreement (5U18DP006123)

Role: Co-investigator; Primary investigator: HR Rodriguez
2017-2020

Graduate research training in alcohol problems: Alcohol-related disparities at Alcohol Research Group

NIH National Institute on Alcohol Abuse and Alcoholism

T32 Ruth L. Kirschstein Institutional National Research Service Award (5T32AA007240)

Role: Trainee; Primary investigator: SE Zemore

2018-2020

Health services research training program at University of California, Berkeley

Agency for Healthcare Research and Quality

T32 Ruth L. Kirschstein Institutional National Research Service Award (5T32HS022241)

Role: Trainee; Primary investigator: SM Shortell

2016-2017

TEACHING & MENTORING EXPERIENCE

University of Maryland, School of Public Health

HLSA 740: Health Care Strategic Planning and Marketing, Instructor of Record, Spring 2023

Dissertation committee member: Shamis Mohamoud (PhD candidate in health policy), Merianne Spencer (PhD candidate in health policy)

Adviser: Dana Alkoury (PhD student in health policy), Sarah Banwell (MPH student in health care management), Erica Garner (MPH student in health care management)

University of California, Berkeley, School of Public Health

Undergraduate Health Equity Scholars Program, Capstone Project Supervisor, Summer 2020

Undergraduate Research Apprentice Program, Mentor, Fall 2018, Spring 2019

PH 150D: Introduction to Health Policy and Management, Graduate Student Instructor, Summer 2017, Fall 2017

PROFESSIONAL & SERVICE ACTIVITIES

Maryland Health Benefit Exchange (MHBE), Standing Advisory Committee member, 2023-
AcademyHealth, member (2017-), Vice Chair of Mental Health and Substance Use Research interest group (2022-2023)

Addiction Health Services Research mentoring program, mentor (2023)

American Public Health Association, member (2019, 2022-)

Social Science & Medicine, Medical Care, Health & Place, Preventing Chronic Disease, Nicotine and Tobacco Research, BMJ Open, BMC Health Services Research, Medical Care Research & Review, peer reviewer

RELATED EXPERIENCE

University of California, Berkeley, School of Public Health, Center for Healthcare Organizational and Innovation Research

Graduate Student Researcher, Jan. 2017-May 2020

University of California, Berkeley, Department of Economics

Research Assistant for Dr. Dmitry Taubinsky, May 2018-Jul. 2018

University of California, Davis, Violence Prevention Research Program

Research Assistant, Jun. 2017-Aug. 2017

Harvard T.H. Chan School of Public Health, Strategic Training Initiative for the Prevention of Eating Disorders

Research Trainee, Feb. 2016 - May 2016

Senator Jason Lewis, Chair of Massachusetts Joint Committee on Public Health

Intern, June 2015 - Dec. 2015

Harvard T.H. Chan School of Public Health, Prevention Research Center on Nutrition and Physical Activity

Research Assistant, Jan. 2015 - Aug. 2015

Ventura County Department of Public Health

Technical Specialist, Aug. 2012 - Jan. 2014
