```
Litwo, Ojczyzno moja! ty jesteś jak zdrowie;
Ile cię trzeba cenić, ten tylko się dowie,
Kto cię stracił. Dziś piękność twą w całej ozdobie
Widzę i opisuję, bo tęsknię po tobie.
```

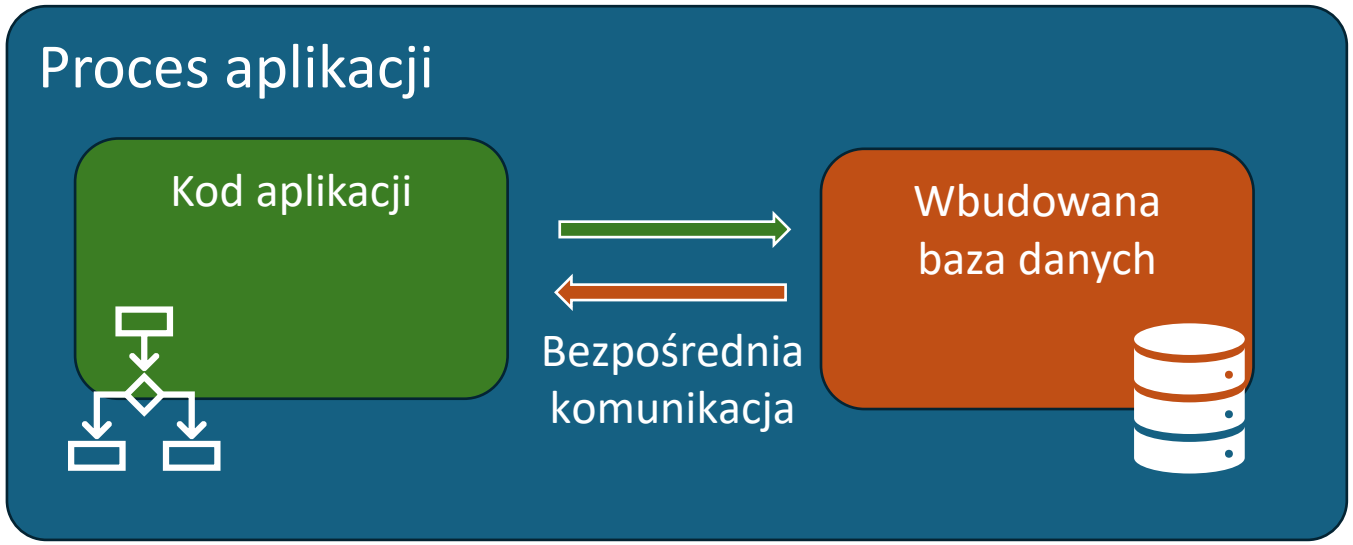

```
Lithuania, my homeland! you are like health;
How much you should be valued, only he will know,
Who has lost you. Today your beauty in all its adornment
I see and describe, because I miss you.
