Super easy to talk to/approachable. Very knowledgeable about the content. Since she is young, she could answer a lot of our questions about different classes and law schools and whatnot. She really did a wonderful job.
As a former law student, she was able to supplement Professor Rubin's comments.
She was clear and concise and always helpful.
Kaleigh's organization and communication were superb. It was helpful when she explained background on the whiteboard to better help with confusing terms or complicated topics. I appreciated the detailed syllabus and her willingness to meet and talk during office hours. She was also very approachable and understanding and was prompt when grading assignments. She came prepared to class with questions for discussion.

I have thought long and hard and nothing comes to mind. She has been the best teaching assistant I've had in college by far.
