Welcome

to the study

Put on your headphones

Press **SPACE** to play a test sound.

Adjust the volume to the loudest comfortable level.

Press **SPACE** to replay the sound.

Press **ENTER** to continue.

Instructions

You will now complete a few practice trials.

You will hear one word at a time.

Your task is to click on the button for the word you hear.

Some words may be difficult to understand. Please make your best guess.

Block Start

Please feel free to take a short break if needed (stand up, stretch, or get a drink of water).

Block 1 of 3 will soon begin.

33% complete

Take a break if you wish.

66% complete

Take a break if you wish.

Main task 100% complete

Take a break if you wish.
