YİĞİT HALUK KURT

MECHANICAL ENGINEERING UNDERGRADUATE STUDENT

ABOUT ME

I'm an ambitious and curious person, with a passion for people. I strongly believe that with communication and collaboration you can come far. I like to frequently step outside of my comfort zone and challenge myself by diving into unknown areas.

My key strenghts are; self-motivated, result oriented, team player with a strong sense of working collaboratively and ambitious. In addition to these strengths I have key skills in the area of planning and communication.

My objective is to make contribution to the organization to the best of my ability and to develop new skills and share my knowledge while interacting with others and achieve new era.

EDUCATION

Yeditepe University

BACHELOR'S DEGREE IN MECHANICAL ENGNEERING, (B.Sc) (ENGLISH)

• Member of Yeditepe University Mechanical Engineering Society
• Student Member of the American Society of Mechanical Engineers
• Student Member of IEEE Power & Energy Society
•Student Member of Institute of Marine Engineering, Science and Technology (IMarEST)

Bahçeşehir Koleji

HIGH SCHOOL, 2018

•English Based Curriculum with Property Class
•Program Graduate Score; 4.02/5

CERTIFICATES

•Application Development with Python (BilgeAdam Teknoloji)

•Introduction to DP Systems (Bureau Veritas | BV Marine & Offshore)
