Education

1. 2018–2025 Ph.D. in Comparative Politics. Institute of Social Sciences of the University of Lisbon (ICS-ULisboa), Portugal. Supervisor: [Luís de Sousa](#), Senior Research Fellow at the ICS-ULisboa (Ph.D. European University Institute, Italy). Thesis: Tolerance towards Corruption in Democracy: Measurement, Mass-Elite (In)Congruence, and Causality [approved with distinction and honours by unanimous decision].
2. 2014–2016 Master's degree in Political Science. Universidade of Aveiro (UA), Portugal. Supervisor: [Luís de Sousa](#), Senior Research Fellow at the ICS-ULisboa (Ph.D. European University Institute, Italy). Thesis: Legal Corruption: a way to explain citizens' perceptions about the relevance of corruption.
3. 2004–2008 Bachelor's degree in Economics. University of Brasília (UnB), Brazil. Officially recognized as a Portuguese *Licenciatura* by the Universidade of Aveiro, Portugal.

Research experience

1. Doctoral Candidate Researcher (FCT PhD grant 2022.11518.BD) at the Institute of Social Sciences of the University of Lisbon (ICS-ULisboa), Portugal. From Sept 2022 to Oct 2024.
2. Doctoral Candidate Researcher (ULisboa Rectory Doctoral Degree Scholarship 746/2018) at the Institute of Social Sciences of the University of Lisbon (ICS-ULisboa), Portugal. From May 2019 to Apr 2022.
3. Member of the ICS-ULisboa Work Package 9 research team of the [Horizon Europe](#) project [RESPOND–Rescuing Democracy from Political Corruption in Digital Societies](#). Participating institutions: a consortium coordinated by the University of Bologna in Italy with the following partners: Anti-Corruption Research And Education Centre (UKR), Central European University (AT), Government Transparency Institute (HU), University of Gothenburg (SE), Institute for Global Analytics (BG), King's College London (UK), Libera–associazione, nomi e numeri contro le mafie (IT), Sciences Po (FR), Sustainable Communication (BE) with its affiliates Net7 (IT) and Tele Radio City (IT), University of Amsterdam (NL), University of Lisbon (PT), University of Duisburg-Essen (DE), and Università Cattolica del Sacro Cuore (IT). WP9 ICS-ULisboa Co-Principal Investigators: [Luís de Sousa](#), Senior Research Fellow at the ICS-ULisboa, and [Pedro Magalhães](#), Research Professor at the ICS-ULisboa. From May 2024 to Apr 2029.
4. Member of the ICS-ULisboa research team of the project PESR–Design and development of a multidimensional index to measure the degree of party ethics self-regulation, funded by the Portuguese Foundation for Science and Technology (FCT, 2023.12291.PEX). Participating institutions: ICS-ULisboa and University of Nottingham. Principal Investigator: [Luís de Sousa](#), Senior Research Fellow at the ICS-ULisboa. From Apr 2025 to June 2026.

5. Member of the research team of the project [EPOCA–Corruption and economic crisis, a poisonous combination: understanding process-outcome interactions in the explanation of public support for democracy](#), funded by the Portuguese Foundation for Science and Technology (FCT, PTDC/CPO-CPO/28316/2017). Participating institution: ICS-ULisboa. ICS-ULisboa Co-Principal Investigators: [Luís de Sousa](#), Senior Research Fellow at the ICS-ULisboa, and [Pedro Magalhães](#), Research Professor at the ICS-ULisboa. From Feb 2018 to Sept 2022.
6. Member of the research team for data analysis and integration from the [EPOCA project](#) and the project [EPOCA/Spain–Corruption and Ethics EPOCA-AVAF Survey in Spain](#). Co-Principal Investigators: [Luís de Sousa](#), Senior Research Fellow at the ICS-ULisboa, and [Fernando Jiménez Sánchez](#), Professor of Political Science at the University of Murcia. From Mar 2023 to June 2024.
7. Member of the research team of the project [ETHICS–Ethics and integrity in politics: perceptions, control, and impact](#), funded by the Francisco Manuel dos Santos Foundation in Portugal. Participating institution: ICS-ULisboa. ICS-ULisboa Co-Principal Investigators: [Luís de Sousa](#), Senior Research Fellow at the ICS-ULisboa, and [Susana Coroado](#), Maria Skłodowska-Curie Actions Postdoctoral Fellow at Dublin City University Business School. From Oct 2019 to Feb 2022.

Scholarships and awards

1. University of Lisbon Doctoral Scholarship (746/2018). From May 2019 to Apr 2022 (36 months).
2. Portuguese Foundation for Science and Technology Doctoral research Scholarship (2022.11518.BD). From Sept 2022 to Oct 2024 (26 months).
3. Professor Carlos Pimenta Award for outstanding work on corruption in Portugal 2023. Award-winning work: MPs' and local elected officials' interpretations of corruption, reputational risks, and reactions to unethical behaviour: a quasi-experimental approach'. The Observatory of Economics and Fraud Management (OBEGEF) of the Faculty of Economics of the University of Oporto (FEP/UP), Portugal, and the Portuguese National Anti-Corruption Mechanism (MENAC).
4. Stimulus and Recognition Award for Internationalisation in the Social Sciences 2022. Award-winning work: [What We \(Don't\) Know so Far About Tolerance Towards Corruption in European Democracies: Measurement Approaches, Determinants, and Types](#). ICS-ULisboa and the *Caixa Geral de Depósitos* (CGD) bank.
5. Merit grant for outstanding academic performance in the Master's in Political Science at the University of Aveiro. Directorate-General for Higher Education (DGES), Portuguese Ministry of Education and Science.

Language skills

1. Portuguese (native).
2. English (advanced writing expression, reading comprehension, and oral expression).
3. Reading skills of both Spanish and French.

Computer skills

1. Good command of Microsoft Office tools (Word, Excel, Access, and PowerPoint), Mendeley, statistical analysis tools (STATA, SPSS, GRETL), and Qualtrics XM experimental design.
2. Intermediate knowledge of Gephi (network analysis and visualization software package), and GPower.
3. Basic knowledge of Prism (experimental data visualization), and JabRef.
4. Independent user: R and LaTeX.

Supplementary education and advanced training

1. (Winter 2025) Visiting Researcher. Human Understanding of Algorithms and Machines Research Group of the Research Center Trustworthy Data Science and Security. University of Duisburg-Essen, Germany. Host Researcher: [Nils Köbis](#), Professor for Human Understanding of Algorithms and Machines, University Duisburg-Essen.

2. (Winter 2025) R-School: Data Analysis with R. Institute of Social Sciences of the University of Lisbon (ICS-ULisboa), Portugal.
3. (Spring 2024) Visiting Researcher. University of Murcia, Spain. Host Researcher: [Fernando Jiménez Sánchez](#), Professor of Political Science at the University of Murcia.
4. (Spring 2023) Visiting Researcher. University of Murcia, Spain. Host Researcher: [Fernando Jiménez Sánchez](#), Professor of Political Science at the University of Murcia.
5. (Spring 2023) Training in Science Communication. University of Lisbon, Portugal.
6. (Spring 2022) Strategic Foresight: Engaging in Chaos-Complexity and Sustainability. Institute of Social Sciences of the University of Lisbon (ICS-ULisboa), Portugal.
7. (Summer 2020) Research Methods on Corruption and Corruption Control Analysis (CORAN). Institute of Social Sciences of the University of Lisbon (ICS-ULisboa), Portugal.
8. (Spring 2020) Compliance for the prevention of corruption. NOVA School of Law, Portugal.
9. (Summer 2016) Cross-National Survey Data and Analysis. European Consortium for Political Research (ECPR), Estonia.
10. (2009–2010) Postgraduate Specialisation in Teaching in Higher Education. IESB University Institute, Brazil (420 hours).

Non-academic experience

1. Administrative Council for Economic Defence of the Ministry of Justice, Brazil. Economist. From Jan 2017 to June 2018.
2. Alexandre de Gusmão Foundation of the Ministry of Foreign Affairs, Brazil. Economist. From Aug 2010 to Apr 2012 and from Aug 2016 to Jan 2017.
3. Civil Aviation Secretariat of the Presidency of the Republic, Brazil. Economist. From Apr 2012 to Sept 2014.
4. Brazilian Airport Infrastructure Company (INFRAERO), Brazil. Economist. From Jan 2010 to Aug 2010.
5. National Service for Industrial Training (SENAI), Brazil. Teacher. From May 2009 to Dec 2009.
