hharr@uoguelph.ca Hannah L. Harrison, PhD 519.731.1339

Curriculum Vitae

Immigration status: Canadian Permanent Resident, U.S. Citizen

Education

Norwegian University of Life Sciences (NMBU) Ås, Norway

2018 **PhD – Faculty of Ecology and Natural Resources**

PhD Candidate within the IMPRESS program, an Initial Training Network (ITN) of the Marie Sklodowska-Curie Actions funded by the EU Research and Innovation Programme Horizon 2020**.**

University of Alaska Fairbanks (UAF) Fairbanks, Alaska

2013 **M.S. Environmental Ethnography**

2010 **B.S. Natural Resource Management**, emphasis in Resources

Academic Appointments:

2019-2023 Postdoctoral scholar within the Arrell Food Institute and University of Guelph Department of Geography, Environment, and Geomatics. Science director for the Coastal Routes project (www.coastalroutes.org) and co-host of the Coastal Routes Radio platform.

Publications

I have 13 published peer-reviewed articles, 11 reports/chapters, 10 essays/op-eds, 2 science podcasts, 2 theses, 3 briefs/protocols, and numerous media features. I have worked with over 50 co-authors on these publications. I have 224 citations, and my h-index is 9 and i10-index is 8 (Google Scholar).

Refereed Journal Articles

Submitted Michael E. Cox, **Hannah L. Harrison**, et al. Podcasts enable diverse ideas, people and outputs into academic life: four evaluative criteria for development, community engagement and transformative impact in science. *International Journal of the Commons.*

2021 Philip A. Loring, **Hannah L. Harrison**, Valencia Gaspard, Sarah Minnes, Helen M Baulch. Science, Data, and the Struggle for Standing in Environmental Management. *Society and Natural Resources* 34 (12), 1581-1601.

2021 Joshua S. Stoll, **Hannah L. Harrison**, Emily De Sousa, Debra Callaway, Melissa Collier, Kelly Harrell, Buck Jones, Jordyn Kastlunger, Emma Kramer, Steve Kurian, Alan Lovewell, Sonia Strobel, Tracy Sylvester, Brett Tolley, Andrea Tomlinson, Easton White, Talia Young, Philip A. Loring. Direct Marketing and COVID-19 in the Seafood Industry: Implications for resilience and sustainability. *Frontiers in Sustainable Food Systems* 5, 97.

2021 **Hannah L. Harrison.** Managing many nets: a prospectus of possible scenarios and impacts from the expansion of Cook Inlet personal use fisheries. *Fisheries Research* 236, 105811.

2020 **Harrison, H.L.,** P.A. Loring. Seeing beneath disputes: a transdisciplinary framework for diagnosing complex conservation conflicts. *Biological conservation* 248 (108670).

2019 **Harrison, H.L.,** S. Kochalski, R. Arlinghaus, Ø. Aas. "Do you care about the river?" A critical discourse analysis and lessons for management of social conflict over Atlantic salmon

(*Salmo salar*) conservation in the case of voluntary stocking in Wales. *People and Nature* 1(4).

2019 **Harrison, H.L.,** J. Hauer, J.Ø. Nielsen, Ø. Aas. Disputing nature in the Anthropocene: technology as friend and foe in the struggle to conserve wild Atlantic salmon *(Salmo salar). Ecology and Society* 24(3).

2018 **Harrison, H.L.,** S. Kochalski, R. Arlinghaus, Ø. Aas. "Nature's Little Helpers": A benefits approach to voluntary cultivation of hatchery fish to support wild Atlantic salmon (*Salmo salar*) populations in Norway, Wales, and Germany. *Fisheries Research* 204, 348-360.

2018 **Harrison, H.L.,** Ø. Aas, S. Rybråten. Hatching knowledge: a case study on the hybridization of local ecological knowledge and research-based knowledge in Norwegian small-scale salmon (*Salmo salar*) cultivation. *Human Ecology* 46 (4).

2016 **H.L. Harrison** and P.A. Loring. Urban harvests: food security and local fish and shellfish in Southcentral Alaska. *Agriculture and Food Security* 5(1), 16

2014 **H.L. Harrison** and P.A. Loring. Larger Than Life: The Emergent Nature of Conflict in Alaska's Upper Cook Inlet. *SAGE Open* 4(4).

2013 Loring, P.A., **H.L. Harrison,** and S.C. Gerlach. Local Perceptions of Sustainability Among Fishers of Alaska's Cook Inlet Salmon Fisheries. *Society and Natural Resources* 27(2), 185-199.

2013 Loring, P.A., and **H.L. Harrison**. "That's what opening day is for:" Social and cultural dimensions of (not) fishing in Cook Inlet, Alaska. *Maritime Studies* 12(1), 12.

2013 Loring, P.A.**,** S.C. Gerlach, and **H.L. Harrison**. Seafood as Local Food: Food Security and the Role of Salmon Fisheries on Alaska's Kenai Peninsula. *Journal of Agriculture, Food Systems, and Community Development* 3(3), 13.

Other Publications

Book Chapters and Reports

Accepted **Hannah L. Harrison**, Sophia Kochalski. Case study: knowledge integration in European voluntary salmon hatcheries. *Integrating Traditional and Local Ecological Knowledge in Mangrove Restoration and Conservation.* University of Cambridge.

Accepted **Hannah L. Harrison,** Alexander Duncan, Ryan Lauzon. Last boat on the lake? Examining the opportunities, challenges, and resilience of Great Lakes small-scale fisheries in the Anthropocene. *Thinking Big about Small-Scale Fisheries in Canada* [ebook]. Too Big To Ignore Network.

Accepted Emily De Sousa, Hannah L. Harrison, Joshua Stoll, Philip A. Loring. Short Supply Chains, Big Impact: Opportunities and Challenges for Direct Marketing in Canadian Small-Scale Fisheries. *Thinking Big about Small-Scale Fisheries in Canada* [ebook]. Too Big To Ignore Network.

2021 Philip A. Loring and **Hannah L. Harrison. "**Evaluating cultural impacts of fisheries management." *Policy brief.* Fisheries and Oceans Canada.

2021 **Hannah L. Harrison**. "Alaska Personal Use Fisheries, Interdependency of subsistence and market economies in the Arctic." Edited by Glomsrød, S., G. Duhaime and I. Aslaksen (eds.). *The Economy of the North - ECONOR 2020*.

2021 **Hannah L. Harrison** and Philip A. Loring. "A literature review examining food and cultural aspects of fisheries in Georgian Bay and Lake Huron." *Saugeen Ojibway Nation.*

2019 Bennett, N., Eadie, M., McIsaac, J., Sutcliffe, T., Nobels, D., Vandeborne, K., Harper, S., Ban, N., Bendickson, C., Blake, A., Ellis, C., Gavenus, E., Lem, T., **Harrison, H.L.,** Osborne, C., Pinkerton, E., Reidlinger, T., Splichalova, D., Whitney, C., Wilson, G., Conger, T., Kariya, P. & Tallio, C. (2019). The Thriving Coastal Communities Initiative: Towards an action research agenda focused on well-being in coastal communities in British Columbia. T.Buck Suzuki Environmental Foundation & Institute for the Oceans and Fisheries, University of British Columbia: Vancouver, BC.

2018 **Harrison, Hannah L. "**Cultivating Conflict: perspectives on the human dimensions of voluntary Atlantic salmon (*Salmo salar)* hatcheries in a conservation context." PhD thesis. *Faculty of Environmental Science and Natural Resource Management, Norwegian University of Life Sciences.*

2013 **Harrison, H.L.** "This is Who I Am": Perspectives on economy, policy, and personal identity and culture of Cook Inlet and Kenai River fisheries. Master's thesis. *University of Alaska Fairbanks.*

2012 Loring, P.A. and **H.L. Harrison**. "Fisheries and Food Security in Alaska." *Agroborealis* 42(1), 45-48.

2012 Loring, P.A., S.C. Gerlach and **H.L. Harrison**. "Food Security on the Kenai Peninsula, Alaska." *WERC-HD Occasional Series No. 1.* Fairbanks, AK: Center for Cross-Cultural Studies and the Water and Environmental Research Center

Essays and Op-Eds

2021 **Hannah L. Harrison.** "Sustaining the Blue Belt: suggestions for forward thinking policy to protect Great Lakes food fisheries." *Canadian Science Policy Magazine, 3rd edition.*

2021 **Hannah L. Harrison**. "Is a 'Blue Belt' with protections needed?" *Port Dover Maple Leaf.*

2021 **Hannah Harrison**. "Rocking the boat: how Michigan's fisheries management stand-off creates an unstable environment for all." *Port Dover Maple Leaf.*

2021 Philip A. Loring and **Hannah L. Harrison**. "PubCasts: Audiobook-style readings of peer-reviewed articles increase reach and visibility." *Canadian Science Publishing Blog* [June 1, 2021].

2021 Philip A. Loring, Emily De Sousa, **Hannah L. Harrison**. "Small-scale fisheries can have a big future in Canada's food systems." *Policy Options.* [April 2, 2021]

2021 **Hannah L. Harrison,** Emily De Sousa, and Philip A. Loring. "Podcasting: Scholarship, method, and storytelling in the age of digital and distanced research." *MarSocSci Network blog.* [February 23, 2020]

2021 **Hannah Harrison** and Dayna Rachkowski. "Ontario's Commercial Fisheries are our link to the lakes, but challenges abound." *Port Dover Maple Leaf.*

2020 **Hannah L. Harrison.** "Family-owned fishing businesses displaced by waterfront developments on Great Lakes." *The Conversation.* [December 10, 2020]

2020 Ben Whittaker and **Hannah L. Harrison**. "World Fisheries Day 2020: Cleaning up the Act of Salmon Fisheries." *Methods.blog – Official blog of Methods in Ecology and Evolution.* [November 20, 2020]

2020 Philip A. Loring, **Hannah L. Harrison**, Emily DeSousa, Joshua Stoll. As coronavirus threatens seafood economy, community fisheries find ways to stay afloat. *The Conversation.* [April 15, 2020]

2016 **Harrison, H.L.** et al. "Endangered Waters: Saving Europe's Most Iconic Fish Species." *Euroscientist* [September 21, 2016].

Briefs and Protocols

2021 **Harrison, H.L.** and Loring, P.A. Protocol for the Social FISHtancing Podcast – Technical Details and Approach**.** Coastal Routes Radio Protocols #21-02. Guelph, ON.

2021 **Hannah L. Harrison.** Improving Seafood Direct Marketing for Canadian Economic Resilience and Food Security. Coastal Routes Policy Briefs #20-01. Guelph, ON.

2021 **Harrison, H.L.** and Loring, P.A. Protocol for Recording Pubcasts – Abridged and Annotated Audio Recordings of Peer-Reviewed Literature**.** Coastal Routes Radio Protocols #21-01. Guelph, ON.

Funding

In review "Eating the Blue Belt: Challenges and opportunities for Great Lakes commercial food fisheries." *Social Sciences and Humanities Research Council of Canada Postdoctoral Fellowships Program*. **PI.** $90kCAD/2years.

In review "Resilience and alternative food networks: learning from COVID-19, fire, and other stressors on local fisheries and agriculture to build resilience to future challenges." *SSHRC Insight Grant*. **Co-applicant** w/Philip Loring**.** $400,000CAD/5years.

2021 "Fishing Forward Podcast." *Northeast Center for Occupational Health and Safety [contract]*. **Co-I** w/Philip Loring**.** $16kCAD/1year.

2021 "Capturing and mobilizing local ecological knowledge of Lake Ontario commercial fishers through mixed methods." *Social Sciences and Humanities Research Council of Canada/University of Guelph Explore Grant.* **PI.** $5kCAD/2years.

2020 **"**Changing Coasts – Identifying what works, and what doesn't, in supporting resilience to large-scale changes within Canada's coastal fishing communities-of-practice." *MEOPAR Knowledge Mobilization Fund.* **PI.** $24k CAD/18 months.

2020 "Co-Identifying and mobilizing traditional, cultural, and empirical forms of knowledge as used to support fisheries management and cultivation in Shawanaga First Nation." *Guelph Institute for Environmental Research Small Grants Program.* **Co-I** w/Philip A. Loring, Nicholas Brunet. $15k CAD/1year.

2016 Oxford Small Research Travel Grant. **PI**. $1000 GBP/1year

2016 Norwegian Environmental Agency Research Grant. **Co-I** w/ Øystein Aas. $5000USD/3years.

2015 Marie Sklodowska-Curie Actions Early-Stage Researcher Fellowship ~$268,000 Euros/3 years

Awards

2021 Canadian Podcast Awards – Finalist for Outstanding News and Current Affairs Series category
2021 University of Guelph Nominee for SSHRC Impact Connection Award
2020 Canadian Science Policy Center Award of Excellence – Youth Category Winner
2017 Oslo Researcher Grand Prix - Finalist
2017 Green Talents Award Finalist – 3 month research fellowship to Berlin, Germany (~7500 Euros)
2016 Marie Sklodowska-Curie Actions Fellow of the Week (December)
2014 Western Association of Graduate Schools Distinguished Master's Thesis Award - $1000USD
2009 UAF School of Natural Resources and Agricultural Sciences Outstanding Student of the Year

Conferences and Meetings

2021 **International Associate for Great Lakes Research Annual Conference** Online
Presentation title: Seeing beneath disputes: reading the stories in natural resource conflict. Authors: **Hannah L. Harrison** and Philip A. Loring.

2021 **Centre for Maritime Research People and the Sea Conference** Online
Presentation (submission): Alternative seafood networks during COVID-19: Implications for resilience and sustainability. Authors: Joshua Stoll, **Hannah L. Harrison,** Emily De Sousa, Philip A. Loring.

2021 **Society for Applied Anthropology Annual Meeting** Online
Presentation title: Alternative seafood networks during COVID-19: Implications for resilience and sustainability. Authors: Joshua Stoll, **Hannah L. Harrison**, Emily De Sousa, Debra Callaway, Melissa Collier, Kelly Harrell, Buck Jones, Jordyn Kastlunger, Emma Kramer, Steve Kurian, Alan Lovewell, Sonia Strobel, Tracy Sylvester, Brett Tolley, Andrea Tomlinson, Easton White, Talia Young, Philip A. Loring.

2021 **Alaska Marine Science Symposium** Online
Presentation title: Big catch, undecided risks: perceptions of risk, reward, and trade-offs in Alaska's Alaskan salmon enhancement program. Authors: **Hannah L. Harrison**, Julie Gould

2021 **12th Canadian Science Policy Conference** Online
Presentation title: "Improving seafood direct-marketing for Canadian economic resilience and food security". Author: Hannah L. Harrison

2020 **American Fisheries Society Annual Meeting** Online
Presentation title: Big catch, undecided risks: perceptions of risk, reward, and trade-offs in Alaska's Alaskan salmon enhancement program. Authors: **Hannah L. Harrison**, Julie Gould

Presentation title: Seeing beneath disputes: a transdisciplinary framework for diagnosing complex conservation conflicts. Authors: **Hannah L. Harrison**, Philip A. Loring

2020 **Ontario Commercial Fisheries Association Annual Convention** Niagara, Canada
Invited researcher

2019 **Local Catch Network Local Seafood Summit** Portland, Oregon, USA
Representative of the Coastal Routes project and summit documentarian.

2019 **Thriving Coastal Communities Initiative Workshop** British Columbia, Canada
Representative of the Coastal Routes project and report contributor.

2018 **Pathways Europe** Goslar, Germany
Presentation title: A benefits approach to voluntary salmon hatcheries.
Authors: **Hannah L. Harrison**, Sophia Kochalski, Robert Arlinghaus, Øystein Aas

Presentation title: Ecological reasoning and understanding social conflict in small-scale salmon hatcheries in Wales. Authors: **Hannah L. Harrison**, Sophia Kochalski, Robert Arlinghaus, Øystein Aas

2018 **Sustaining Iconic Diadraomous Fishes: IMPRESS Conference** Arendal, Norway
Presentation title: Disputing nature: human-nature relations in the techno-social world of small-scale cultivation of wild Atlantic salmon (*Salmo salar*) in Norway and Wales. Authors: **Hannah L. Harrison**, Janine Hauer, Jonas Ø. Nielsen, Øystein Aas

2017 **World Recreational Fishing Conference 8** Victoria, Canada
Presentation title: "God's Little Helpers": Examining the socio-cultural value of small-scale Atlantic salmon hatcheries in Norway, Wales, and Germany. Authors: **Hannah L. Harrison**, Sophia Kochalski, Robert Arlinghaus, Øystein Aas

Presentation title: Ecological and research-based knowledge in Norwegian small-scale salmon cultivation: a case study examining drivers of knowledge hybridization. Authors: **Hannah L. Harrison**, Stine Rybråten, Øystein Aas

2017 **Eurodoc Conference 2017 – Open Science** Oslo, Norway
Invited representative for the NMBU Society for Doctoral Candidates and Postdocs

2014 **Alaska Marine Science Symposium** Anchorage, Alaska
Presentation title: Identifying sources of conflict in Cook Inlet and Kenai River salmon fisheries within the context of resource sustainability. Authors: **Hannah L. Harrison**, Philip A. Loring

2013 **Mat-Su Salmon and Science Symposium** Palmer, Alaska
Presentation title: Identifying sources of conflict in Cook Inlet and Kenai River salmon fisheries within the context of resource sustainability. Authors: **Hannah L. Harrison**, Philip A. Loring

2013 **American Fisheries Society Alaska Chapter Meeting** Fairbanks, Alaska
Human Dimensions session chair; oral presentation of thesis work.

2012 **Alaska Islands and Oceans Science Symposium** Homer, Alaska
Presentation title: Food Security on the Kenai Peninsula, presentation of preliminary findings.
Authors: **Hannah L. Harrison**, Philip A. Loring

2011 **American Fisheries Society Alaska Chapter Meeting** Girdwood, Alaska
Presentation title: “That’s what opening day is for”: Social and cultural dimensions of the commercial drift gillnet salmon fishery in Cook Inlet. Authors: Philip A Loring, S. Craig Gerlach, **Hannah L. Harrison**

Sessions/Events/Talks Organized

2020 – 2021 University of Guelph Postdoc Society Meetings (monthly)
2019, 2020 University of Guelph Postdoc Orientation (co-organizer, presenter)
2019, 2020, 2021 PhD-Postdoc Q&A Panel: Demystifying the Postdoc (panel moderator)
2018 Pathways Europe Special Session on Conservation Conflicts (co-chair, presenter)
2018 Society for PhD Candidates and Postdocs seminar on time management in the PhD (presenter)

Invited/Recruited Speaking

2021 Panelist at CSEU 2021 Annual Congress on "Academia, Justice and the Workplace"
2021 Speaker for NMBU dagsseminar om sportsfiske og fiskeforvaltning [Seminar on Sportfishing and fish cultivation]. *Norwegian University of Life Sciences.*
2021 Panel moderator for Guelph Institute for Environmental Research Knowledge Mobilization webinar. *University of Guelph*.
2020 Lecturer at Local Catch Network Seminar: Highlighting innovation, entrepreneurship, and resilience in local seafood systems and small-scale fisheries during COVID-19.
2020 Panelist for LGBTQ+ Stem Discussion – Microbiology Club. *University of Guelph.*
2018 Panelist at IMPRESS Sustaining Iconic Diadromous Fishes Conference: Do hatcheries work?
2018 Keynote speaker at IMPRESS Sustaining Iconic Diadromous Fishes Conference: Science communication in ESR work. *IMPRESS Program.*
2018 Speaker at NMBU Sport Fishing Symposium. *Norwegian University of Life Sciences.*
2018 Keynote speaker and panelist at NMBU Veterinary School PhD Day, Talk: Finding Success in the PhD. *Norwegian University of Life Sciences.*
2018 Guest speaker at Norwegian National Kultiveringsmøte [Hatcheries Meeting]

Teaching, Course Development, and Students

Courses Taught

University of Guelph
GEOG 4390 Seminar in Rural Geography (Undergrad) - Winter 2021
GEOG 3320 Food Systems: Issues in Security and Sustainability (offered and declined due to COVID-19) (Undergrad) – Fall 2020
GEOG 4390 Seminar in Rural Geography (Undergrad) - Winter 2020

Guest Teaching - Courses

University of Guelph
RST 6100 Integrative Research Methods (Graduate) – Winter 2021
GEOG 3320 Food Systems: Security and Sustainability (Undergrad) – Fall 2020
GEOG 6281 Management and Governance (Graduate) – Fall 2020
GEOG 6060 Independent Study in Human Ecology (Graduate) – Winter 2020
GEOG 4390 Seminar in Rural Geography (Undergrad) – Winter 2020
GEOG 3320 Food Systems: Security and Sustainability (Undergrad) – Fall 2019
GEOG 6342 Human Environment Relations (Graduate) – Winter 2019

Norwegian University of Life Sciences
Human-Wildlife Interactions (Undergrad/Grad) - Spring 2018
Introduction to qualitative methods and environmental research (Interdisciplinary IMPRESS PhD training school) – Summer 2017

University of Alaska Fairbanks
Fisheries Management (Undergrad/Grad) – Spring 2016

Guest Teaching – Non-course formats
Geography Graduate Society Brown Bag Seminar Series
Lecture title: Great Lakes commercial fisheries: future opportunities and barriers to resilience.
*University of Guelph (*Winter 2021)

Online Knowledge Translation and Mentorship Initiative
Workshop title: Podcasting as a KMb tool for research.
*Brock University; Canadian Rural Revitalization Foundation (*Winter 2021)

Marine Social Science Network Webinar Series
Lecture and Q&A period on the role of podcasting as a scholarly tool for knowledge mobilization and research using the *Social FISHtancing* podcast case study (Winter 2020)

Geography Graduate Society Brown Bag Seminar Series
Lecture title: Human dimensions of fish cultivation in an Alaskan context
*University of Guelph (*Winter 2019)

Brown Bag Research Series
Lecture title: Human dimensions of fish cultivation and intersections with STS studies
*IRI THESys Humboldt Universitat in Berlin (*Spring 2018)

IRB Research Symposium
Lecture title: Hatcheries as contested conservation technologies in western Europe
*Leibniz-Institute of Freshwater Ecology and Inland Fisheries, Berlin (*Spring 2017)

Course Development
University of Guelph
GEOG 4390 Seminar in Rural Sustainability (Undergrad) – Winter 2020, 2021

GEOG 6060 Independent Study in Human Ecology (Graduate) – Winter 2020

Co-Creating and Mobilizing Knowledge for Change: A Critical Community Engaged Scholarship Summer Intensive (Graduate/postgraduate) - Summer 2020

Students Supervised/Mentored
Student names not listed for privacy purposes. Details available upon request.

Research Training Experience

2020 Marine Environmental Observation, Prediction and Response Network Annual Scientific Meeting and Annual Training (Online)

2020 Co-Creating and Mobilizing Knowledge for Change: A Critical Community Engaged Scholarship Summer Intensive; topics included knowledge mobilization, decolonizing research, and Indigenous research methods

2018 3-month research stay at the Integrative Research Institute on Transformations of Human-Environment Systems (IRI THESys), Humboldt-Universität zu Berlin, Germany; Host: Dr. Jonas Østergaard Nielsen

2017 9-day IMPRESS training school at the Conservatorie National du Saumon Sauvage, Chanteuges, France; topics included innovative rearing techniques, scientific writing, and science communication.

2017 1-month research stay at the Leibniz-Institute of Freshwater Ecology and Inland Fisheries (IGB), Berlin, Germany; Host: Prof. Dr. Robert Arlinghaus

2016 7-day IMPRESS training school at University of South Bohemia, Vodnany, Czech Republic; topics included fish husbandry, technology transfer, entrepreneurship and intellectual property rights
2016 9-day IMPRESS training school at Universitat Politecnica de Valencia, Valencia, Spain; topics included cryopreservation, public presentations and research dissemination, and career development
2015 – 2016 9-month research stay at the Norwegian Institute for Nature Research (NINA), Lillehammer, Norway; Host: Prof. Dr. Øystein Aas
2015 6-day IMPRESS training school at ZF-Screens, Leiden, The Netherlands; topics included introduction to genomics

Service

Funding Referee

2021 MITACS Accelerate Research proposal review. Title: "Using Etuaptmumk (Two-Eyed Seeing to examine Atikameg (lake whitefish) and Namegosag (lake trout) interactions in Saukiing Anishinaabekiing."

Award Referee

2021 Canadian Science Policy Centre – Youth Award Selection Committee

Journal Referee

Environmental Science and Policy
FACETS
Human Ecology
Ecology and Society
The Extractive Industries and Society
BES - People and Nature
Fisheries Management and Ecology

Chapter Reviews

2020 Nature and culture resources in nature-based tourism – BIOTOUR Project, NMBU

Thesis Referee

2019 Norwegian University of Life Sciences – Bachelor thesis

Conferences/Meetings Service

2019 CAGONT Program Chair, University of Guelph
2018 Special Session Organizer and Session Co-Chair, Pathways Europe

Committees, Societies and Appointments

2020 – 2021 American Fisheries Society member
2020 – 2021 Queer UofG Faculty and Staff Network Steering Committee – Board Member
2019 – ongoing University of Guelph Postdoc Society - Leader
2018 – 2022 World Recreational Fisheries Conference Scientific Advisory Board – Board Member
2018 NMBU Society for Doctoral Candidates and Postdocs (SoDoC) – Board Member
2019 German Federal Ministry of Education and Research Green Talents Alumni
2017 – 2018 NMBU Student Journal Editorial Board – Editor
2017 NMBU Society for Doctoral Candidates and Postdocs (SoDoC) – President

2016 – 2017 NMBU Student Journal Review Board - Reviewer
2015 – 2016 IMPRESS elected ESR student representative

Campus Leadership
2021 – ongoing USW4120A Union president and bargaining committee member
2021 – ongoing Provide consultation to University of Guelph administration about postdoctoral issues and life

Professional Development
2022 UNIV 6800 University Teaching Theory and Practice – Learning and Development, UoG
2021 Digital Tools for Asynchronous and Active Learning – Learning and Development, UoG
2020 GOAL 2.0 Master Class: Performance Summary Quality – Learning and Development, UoG
2020 Leading Remote Teams, Part 1&2 – Learning and Development, UoG
2020 Group Facilitation Training (4 week course) – Community Engaged Scholarship Institute, UoG
2019 Teaching Dossier Development – Learning and Development, UoG

Knowledge Mobilization and Translation, and Media
Knowledge Mobilization
2021 - 2022 Director, Producer, Narrator of *Last Boat on the Lake* [Documentary film].
2021 – 2022 Developer, Producer, and Host of *Fishing Forward Podcast* with the Northeastern Center for Occupational Health and Safety
2021 – 2022 Author of Port Dover Maple Leaf newspaper series on Great Lakes commercial fisheries
2020 – ongoing Developer, Producer, and Co-Host of *Coastal Routes Radio* (Social FISHtancing, Coastal Connections, Fishing Forward podcasts; PubCasts; Research Notes) (10,000+ listens)

Knowledge Translation
2021 **Harrison, H.L.** Narration for character in computer game about sea-floor mining and sustainability. Game by Mironenko, O. and Center for Systems Solutions. [Release late 2021]
2019 **Harrison, H.L.** Narrator for Wetland/Wasteland Documentary. *Conservation of Change Lab.*
2018 – ongoing Skype-A-Scientist presenter (15+ classrooms)

Selected Media Coverage
2021 Blue Fish Radio. *Hannah Harrison on COVID-19 and Community Supported Fisheries.*
2021 The Narwhal. *Canada's Forgotten Fisheries [Photo Essay].*
Author: Lindsay Campbell; Photographer: Johnny C.Y. Lam.
2021 Port Dover Maple Leaf. *Let's try a new approach to our lakes and rivers*.
Author: M.P.P. Toby Barrett
2021 Guelph Today. "U of G podcast makes a splash with its fish tales."
2021 ELMNT FM "Moment of Truth" w/David Moses; Topic: podcasting in academia
2021 ELMNT FM "Moment of Truth" w/David Moses; Topic: working waterfronts
2021 North Country Public Radio (NPR) – *Development threatens Great Lakes, St. Lawrence River fishing industry*
2020 The Fisheries Podcast – *The Student Update*
2020 Hurley in the Morning (voicEd Radio) – *Fishing communities under stress ft. Dr. Hannah Harrison*

2020 In Common Podcast – *Sharing podcasting experiences with Coastal Routes Radio*
2019 Dr. Heckle Podcast
2019 The Fisheries Podcast – *Social sciences in fisheries with world traveler Dr. Hannah Harrison*
2015 - 2018 Project blog @ www.impress-itn.eu
2018 Research feature on Forskingner.no
2018 Guest on NMBU research podcast Insight Out
2018 IRI THESys Guest Researcher Feature
2018 Research feature in Mørenytt [Norwegian regional newspaper]
2017 Oslo Researcher Grand Prix profile and coverage
2016 Photo feature in Horizon: EU Research and Innovation Magazine
2016 Research feature in Sunnmøre Posten
2013 Homer News - *Fishing group finds common ground among different users*
2013 Redoubt Reporter - *Centered on salmon - Fish at the forefront of new initiative*
2013 KDLL 91.9FM - *UAF Proposes new center for salmon and society*
2013 Alaskanomics.com - *Anchorage Chamber of Commerce Panel on Cook Inlet Salmon Management*

Past Employment

2014 – 2015 **United States Peace Corps** Peace Corps Volunteer
Volunteer with the Rural Aquaculture Program. Bantu language training to intermediate level. Significant training in disease and health related issues, subsistence-level aquaculture development and promotion, women's empowerment and training, entrepreneurship and savings and loan development, community needs evaluation and participatory community development.

2013 – 2014 **Downstream Consulting** Consultant
Environmental and natural resource consulting specializing in facilitation, resource conflict, public outreach and education, public relations and media, publications, and development. Contracts with The Nature Conservancy; Alaska Salmon Alliance; Alaska FFA Association; University of Alaska Fairbanks.

2012 – 2013 **Alaska Department of Environmental Conservation** Graduate Intern
Graduate intern in the contaminated sites program for federal facilities. Development, writing, and review of technical documents related to contamination in federally owned sites. Experience with multi-agency collaboration and policy review.

2011 – 2013 **University of Alaska Fairbanks** Research Assistant
Conducted research using interdisciplinary social science methods including interviews, participant observation, literature review, policy analysis, written and oral surveys. Extensive experience with technical and academic social science writing and document review. Focus on socio-cultural research, food security, livelihoods, small-scale fishery sustainability, stakeholder relationships, resource conflict, ethnographic work.
