

ST. FRANCIS XAVIER
UNIVERSITY

JOIN OUR

YOUTH ADVISORY COMMITTEE

- ☒ Are you between the ages of 15–18?
- ☒ Do you have ideas about bullying prevention and bystander intervention?
- ☒ Are you interested in working with other youth and receiving up to \$100?

Then we want to hear from you!

Who are we?

- We are a team of researchers at the IVY lab at StFX University working on a project looking at bystander intervention among youth.
- We are recruiting youth (like you!) to help us understand the best ways to do this.

What will you be asked to do?

- Meet with other members 2–4 times at StFX campus beginning January 2025.
- Share your knowledge and experiences about bullying and healthy relationships.
- Try our virtual reality game and give feedback.
- Snacks and compensation (\$20/hour) are provided.
