I really enjoyed the class that Kaleigh lectured. Her teaching was incredibly clear and helpful. Her grading feedback was also helpful and allowed me to make adjustments to improve my future work.
I thought her in–class lecture was very informative and easy to absorb.
She led one of our lectures about criminal law and it was amazing! She is really knowledge about constitutional law and is a very engaging lecturer. I still remember a lot from the day she led class because it was really interesting, and Kaleigh did a great job of making everyone feel comfortable enough to ask questions and engage with her during the lecture.
Kaleigh did an excellent job keeping up with the class and providing additional resources and guidance for the various assignments and discussions we had.
Despite her inability to be helpful in the majority of her feedback, Ms. Ruiz was generally pleasant, which made me feel as though she was somewhat approachable.
She was quick with her responses and also gave good examples of work in the beginning of the semester.
She is excellent. I always look forward to her class because we fully go over the chapter and I gain an understanding I do not get from typical sessions.
Her incredible guest lectures and dedication to systematized, engaging, and rapid elucidation of legal standards. She was incredible.

no comments, fantastic TA
It is important to remember when grading that undergraduate students enrolled in this course are NOT Vanderbilt Law School educated lawyers, and therefore cannot be expected to write as such. The grading for this course was unnecessarily difficult, and thus made me feel as though I would not be successful in the course.
I have no recommendations. She was an excellent TA.
