Nya Bunton

Objective/Summary

As a driven and ambitious learner and student, I plan on majoring in Applied Movement Sciences in order to gain knowledge to become a physical therapist or another job in sports medicine. Using my leadership and talents, I also plan to play volleyball at the University of Texas at Austin and further my career as a pro player or on the national team.

SOFT SKILLS

- Instructing
- Handling pressure
- Fast learner
- Collaborative
- Hard-working
- Volleyball
- Ambitious
- Reliable
- confident and dedicated

HARD SKILLS

- Instructing (I have tutored kids in math specifically in algebra 1 and geometry. I also help coach younger athletes in volleyball.)
- Interviewing and Interviewee (I have interviewed a couple of people for projects in school and have also been interviewed for newspapers, articles, stories, etc.)

JOBS/EXPERIENCE

Coaching at KIVA Junior league and other camps, 1820 Taylor Ave, Louisville, KY 40213

2020- PRESENT

- Help teach girls how to play volleyball and develop their skills so they can reach their goals, whether making a school or club team or just getting better at volleyball.

Peer Tutor, DuPont Manual High School

2021-2022

- Helped tutor and better prepare underclassmen in math, specifically geometry and algebra 1.

Helped out at a Residence/Nursing Home, Signature HealthCare

2020

- Bagged goodies for the residents
- Helped serve food for res
- Participated in a parade for COVID survivors

Babysitting my sister, at home

2017- PRESENT

- When her parents are out or doing something she babysits for her sister for some time.
- Feeds her, plays with her, teaches her, and if it gets late; I would give her a bath and take her to bed.
