Welcome!

Put on your headphones

Press SPACE to play a test sound.

Adjust the volume to the loudest comfortable level.

Press SPACE to replay the sound.

Press ENTER to continue.

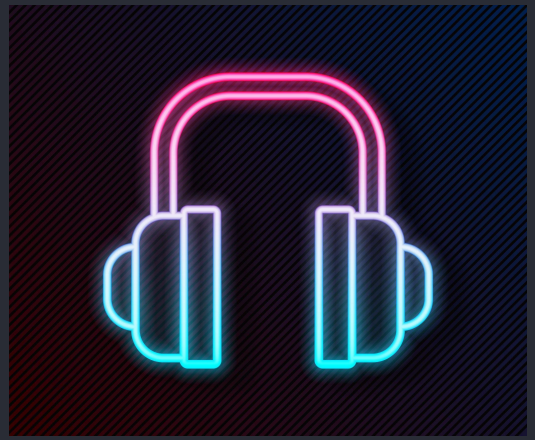

Practice Trials

You will now complete a few practice trials.

You will hear spoken words one at a time. Type exactly what you think you hear after each word.

Some words may be difficult to understand. Please type your best guess based on your first impression.

Listen

Task 1

You will now begin the Task 1.

You will hear a series of spoken words, one at a time. After each word, type exactly what you think you heard.

You will not be able to replay each word, so please respond based on your first impression.

Take short breaks if needed between sections. The task will continue automatically when you are ready.

25% complete

Take a break if you wish.

Press SPACE to continue.

50% complete

Take a break if you wish.

Press SPACE to continue.

75% complete
Take a break if you wish.
Press SPACE to continue.

Task 2

You will hear different speakers, each talking for ~40 seconds.

After listening to a speaker, you will be asked to rate them on three characteristics: **intelligibility**, **effort**, and **severity**.

You must listen to the entire sample before rating. The sample cannot be replayed.

Please rate the severity of the speech.

No impairment

Severely impaired

Please rate the understandability of the speech.

Not at all

Very

How effortful was it for you to understand this speaker?

Not at all

Very

Main tasks 100% complete

Thank you!

Survey (1/4)

Age:

Gender:

Current country of residence:

Survey (2/4)

What is your first language?

Was English your primary language while growing up?

What languages do you speak fluently?

Survey (3/4)

Do you have any of the following conditions?

- **Hearing difficulties**
- **Speech disorders**
- **Language or learning disorders**
- **Neurological or cognitive conditions**

Survey (4/4)

What device did you use for audio?

Any comments? (optional)

You’ve reached the end of the study.

We appreciate your time.
